Minneapolis, MN

- Cumulative GPA: 3.77
- Anticipated graduation: Dec 2027

Aug 2024 – present

Skills

Programming Languages: Python, Java, R, C, OCaml, HTML, JavaScript, CSS

Tools: Git/GitHub, Docker, Amazon Web Services, macOS, Linux, Windows

Experience

University of Minnesota Housing and Residential Life, Office Assistant

Minneapolis, MN

- Provide essential support at 24/7 information desks in student residential halls, ensuring efficient customer service while also responding to building emergencies.
- Work independently during overnight and late-hour shifts, demonstrating reliability and independence.

Jan 2025 – present

1 year

Projects

Wikipedia Editing Bot

Mar 2022 – present

- Used Python to develop several scripts that perform daily automated edits on the English Wikipedia through the MediaWiki API.
- Reduced errors and mistakes to near-zero as the bot has performed over 20,000 trivial edits on live articles, saving human editors valuable time.

Personal Website

Aug 2020 – present

- Designed and built a personal landing page from scratch using Astro, Svelte, UnoCSS, and Motion, with a focus on accessibility, responsiveness, and mobile-friendliness.
- Manage the live deployment using Cloudflare Workers.

Activities and Leadership

UMN Twin Cities Rotaract Club, Vice President, Past Communications Coordinator

Minneapolis, MN

- Assist in leading an active student organization dedicated to volunteering with various community initiatives in the Minneapolis area.
- Elected as president for the 2026–2027 academic year.
- Previously managed professional email communications to over 200 club members.

Sept 2024 – present

UMN Rocket Team, Member, Special Projects Subteam

Minneapolis, MN

- Research, develop, and test high-powered amateur rocketry projects focused on testing new concepts, including two-stage flights.
- Designed, built, and launched a personal rocket used to earn a Level 1 certification from the Tripoli Rocketry Association.

Sept 2025 – present

Verticality Casual Climbing , Treasurer	Minneapolis, MN Aug 2025 – present
• Serve as a founding officer of a student organization dedicated to casual rock climbing, acting as the primary contact for legal/financial matters as the club develops.
